

## **Pages Expected To Be Contained In The Tufuna Saving Hub**

1. Home page: This is the main landing page of your website and should include an overview of your e-saving platform.
2. Savings accounts page: This page will display the different types of savings accounts you offer, along with their features and benefits.
3. About us page: This page provides information about your company, its mission, and its values.
4. Contact us page: This page includes your company's contact information and a form that customers can use to reach out to you.
5. FAQ page: This page provides answers to commonly asked questions about your e-saving platform.
6. Terms and conditions page: This page outlines the legal terms and conditions that govern the use of your website and its services.
7. Privacy policy page: This page explains how you collect, use, and protect customer data.
8. Blog page: This page includes blog posts related to personal finance, saving tips, and other relevant topics.
9. Login page: This is the page where customers can log in to access their savings account and manage their savings.
10. Financial Literacy page: This page provides educational resources, tips, and tools to help users improve their financial literacy and make informed decisions about their savings and investments.
11. Saving Incentives page: This page describes the different types of incentives or rewards that users can earn for meeting their savings goals, such as cash bonuses, gift cards, or discounts on products and services.
12. Savings Tracker page: This page allows users to track their progress toward their savings goals and monitor their account balance.
13. Investing Opportunities page: This page provides information about the different types of investment options available to users, such as stocks, bonds, and mutual funds.
14. Registration and Login pages: These pages allow users to register for an account and log in to access the features and functionalities of your e-saving website.
15. Points and Rewards page: This page outlines how users can earn points for different actions on the website, such as signing up for an account, referring friends, or reaching savings goals.
16. Dashboard page: This page serves as a personalized homepage for each user, displaying their account information, savings goals, progress, and rewards earned.
17. Support page: This page provides contact information for customer support, as well as a knowledge base or FAQ section to help users troubleshoot any issues they encounter while using your e-saving platform.
